### **Master Directory**

*Light Metal Age* publishes four equipment supplier directories—Aluminum Extrusion, Flat Rolled Aluminum, Primary Aluminum, and Secondary Aluminum.

All four directories are compiled in our annual Master Directory (MD 2021), which is published in both digital and hard copy format. The hard copy version is distributed to *LMA* subscribers with the June issue mailing. For listing information, email: [lma@lightmetalage.com](mailto:lma@lightmetalage.com).

There is discounted ad space available in the MD 2021. Contact Rose Eaton, [rose@lightmetalage.com](mailto:rose@lightmetalage.com).
